VI. POLICY

RowanSOM Departments and RowanSOM owned or operated facilities shall appropriately protect the privacy of health information that can identify an individual in compliance with federal and state law. RowanSOM will act responsibly in the maintenance, retention and eventual destruction and disposal of all material containing PHI, which includes PHI on fax and copier machine hard drives. The destruction and disposal of PHI will be carried out in accordance with HIPAA regulations and RowanSOM policy. All PHI will be destroyed in a manner in which it cannot be recovered or reconstructed by leveraging the shredding bins provided directly on RowanSOM sites. Medical records will be maintained and destroyed in accordance with the RowanSOM policy, Records Management.

ATTACHMENT 1 PROCEDURES FOR THE DESTRUCTION/DISPOSAL OF ALL PROTECTED HEALTH INFORMATION (PHI)

1. Until such time destruction/disposal of PHI is permissible, all PHI will be secured against unauthorized or inappropriate access.
2. The destruction/disposal of all PHI will be completed using the shredding bin provided directly on RowanSOM sites. Any material/documents shredded at a non-RowanSOM site, must be brought back in a secure manner to a RowanSOM site and disposed in an office shredding bin. This will ensure proper destruction/disposal of PHI.
3. The destruction/disposal of all PHI will be accomplished by shredding, incineration or other comparable fashion that ensures that the PHI cannot be recovered or reconstructed. Material that has been destroyed must be stored in a secure container or receptacle, which is not in a publicly accessible location, until, such time that the material is collected by Housekeeping Services or outside agency responsible for trash collection.
4. If utilizing an outside agency for destruction/disposal of PHI, a contract and a business associate agreement must be executed between RowanSOM and the outside agency. The contract must provide that upon termination of same, the agency will return or destroy/dispose of all PHI, including proof of destruction/disposal and the methodology by which the material was destroyed.
