

Service and Emotional Support Animals Policy – Acknowledgment Form

I _____ [PRINT NAME] have read and been informed about the content, requirements, and expectations of the Rowan University Service and Emotional Support Animals Policy (“Policy”). I have received a copy of the Policy and agree to abide by its requirements.

I understand that if I fail to meet the requirements set forth in the Policy, including but not limited to the Owner’s Responsibilities, Rowan University has the right to remove the Service Animal or Emotional Support Animal.

Further, if applicable, I give permission to the Academic Success Center & Disability Resources to disclose to others impacted by the presence of my residential Service Animal or Emotional Support Animal (e.g., Residential Learning and University Housing staff, potential and/or actual roommates or neighbors) that I will be living with an animal as an accommodation. I understand that this information will be shared with the intent of preparing for the presence of the animal and/or resolving any potential issues associated with the presence of the animal.

I further recognize that the presence of the residential Service Animal or Emotional Support Animal may be noticed by others visiting or residing in University housing, and agree that staff may acknowledge the presence of the animal, and explain that under certain circumstances animals are permitted for persons with an approved accommodation.

I acknowledge that if I am registering for an Emotional Support Animal, approval for the Emotional Support Animal must be given by the Academic Success Center & Disability Services BEFORE the animal is permitted in University housing, and that I am NOT permitted to bring the Emotional Support Animal into University housing until approval has been granted.

I understand that if I have questions, at any time, regarding the Rowan University Service and Emotional Support Animals Policy, I can consult with the Director of the Academic Success Center & Disability Resources.

Please read the Rowan University Service and Emotional Support Animals Policy carefully to ensure that you understand the policy before signing this document.
