Benefits of Lynda.com

Lynda.com is provided to Rowan Students and employees to help you learn software, creative, and business skills to achieve personal and professional goals. You have unlimited access to a vast library of high quality, current, and engaging video tutorials taught by expert instructors who are also working professionals.

Unlimited access
Your Rowan ID gives you full membership with access to all courses and tutorials.

New courses added weekly
New courses are added every week to keep your skills up to date with the fast-changing pace of technology. To learn about new classes, sign up for Lynda.com newsletter which can be found at: http://www.Lynda.com/aboutus/ (enter your email address in the field on the ride top side).

Learn on the go
Watch courses on Lynda’s mobile site, or with free apps for iPhone, iPad, and Android devices; switch back and forth between devices without ever losing your place.

Save and prioritize courses
The playlists feature lets you create and manage a list of courses you want to watch, and bookmarks tag specific videos for reference.

Watch what you want
Courses are presented in small chunks, so it’s easy to find quick answers to specific questions. You can also watch an entire course from end to end if you choose to.

Searchable transcripts
Read along with closed-captioned transcripts—or search the text to quickly find information within a course.

Certificates of completion
Earn certificates of completion for each course viewed, and show coworkers, friends, and potential employers what you’ve accomplished.
Logging On

Logon to: www.rowan.edu/lynda

Select ‘Click here to login: Lynda.com’

Login using your Rowan Network Username and Password. You’ll need to create a profile including your First and Last Name, and Email address (first time only).
Search the Site

There are three ways to search for courses:

1) Use the Search field

2) Hover over the Library to search by Course Topic
Search the Site

3) Select ‘Library’ then search by letter.

Choose a topic to see available courses.
Creating Playlists

Choose a class you are interested in.
Select ‘Add to Playlist’ and New Playlist.

Name the playlist, give it a description and select Create.

To add to an existing Playlist, select the existing playlist. Select ‘Video Only’ or ‘Course.’ Select Create.
Accessing Playlists

To access your Playlists select the drop down next to your name and Playlists.

Select the playlist and your videos will be listed. You can also share your playlist by select “Share” from the panel on the right.
Mobile Access

How do I download/update the iOS/Android/Windows app?
The iOS app may be downloaded directly from the Apple App store, and the Android App is available both from Google Play and the Amazon App Store.

How do I log in to the app?
When you launch the app, select the **Organization** tab.
Enter **rowan.edu** in the **Web Portal** field.
Log in with your Rowan user name and password.
