I. PURPOSE

This policy establishes rules and procedures for operation of student housing.

II. ACCOUNTABILITY

At the direction of the Vice President for Student Life and Dean of Students, the Assistant Vice President for Residential Learning and Inclusion Programs and other managers responsible for student housing shall implement and ensure compliance with this policy.

III. APPLICABILITY

This policy is applicable to all student housing facilities owned or leased and operated by the University, as well as student housing provided for the benefit of University students by third parties (“Affiliated”) with the University where the University.

IV. POLICY

1. In order to receive a housing assignment in University housing, students must submit an application and accept the terms and conditions of the applicable housing contract for the term they are seeking housing.

2. The contract is a binding legal agreement between the University and the student. The terms and conditions of the contract are disclosed during the application process. The terms and conditions of the contract supersede any provision of this policy that may conflict with the contract.

3. Cancellations, Terminations and Suspensions of the Contract

   1. The contract terms and conditions specify the time period of the contract, typically for an entire academic year, and the grounds permissible for cancelation, termination or suspension of the contract. Students may request cancelation of the contract at any time by submitting a written request on the approved form and submitting supporting documentation. Requests will be reviewed by the University based on the criteria outlined on the form and in the contract. A cancelation fee may apply.

   2. Moving out or turning in keys without an approved cancelation does not release the student from the contract or any of their obligations under the contract, including the obligation to pay for the assigned space.

4. Application Deadlines and Wait Lists

   1. The application deadlines will be published each academic year and advertised as part of the annual room selection process. Students must apply by published deadlines. Students are notified as soon as possible when an assignment is made. Students who apply late may be placed on a waiting list. Students who are placed on a waitlist will be assigned housing as space becomes available.

5. Housing Not Guaranteed – Lottery

   1. On-campus housing is not guaranteed to juniors or seniors because demand for housing may exceed the available space. In the event that demand for student housing exceeds available capacity, the University may determine eligibility for student housing using a lottery. Students not successful during the lottery will be placed on a waiting list and assigned housing as space becomes available.

V. MANDATORY HOUSING REQUIREMENT
1. The University has determined that living in University residence facilities is a positive aspect of the total undergraduate experience for students at Rowan University. Accordingly, full time matriculated undergraduates enrolled at the Glassboro campus under age 21 with fewer than 58 credits are required to live in University housing, unless they will be commuting from a parent or guardian’s home within 40 miles of the Rowan campus.

2. Students are exempt from the mandatory housing requirement in the following circumstances:
   1. The student submits documentation signed by his/her parent or guardian affirming that he/she will commute from that parent or guardian’s residence and that the residence is located within 40 miles of the campus;
   2. The student is over the age of 21 at the start of the academic term during which the policy would otherwise require the student to live in a university residence;
   3. The student is married or part of a legal domestic partnership;
   4. The credits the student is enrolled in are at least 50% online.

3. Students who violate the on-campus residence requirements will be required to move into a residence hall and pay full room rent for the semester in which the violation occurs. Students who refuse to move onto the campus will be suspended from the University.

4. Students who wish to commute from the residence of their parents or legal guardians must live within a 40-mile radius of the institution and furnish a notarized statement of student residence confirming this.

5. In accordance with Board of Trustees Resolution #2013.06.17 waivers of the mandatory housing requirement may be made in the following circumstances:
   1. The student petition to live with a responsible adult other than a parent or guardian and this arrangement is determined to be more suitable to the student’s needs for financial or other legitimate reasons based on documentation submitted by the student;
   2. The student petition to live independently in non-University Housing because he/she is responsible for the care of a child, family member or other dependent and the student submits documentation of these circumstances;
   3. The student petition to live in non-University Housing because he/she requires accommodations due to a documented disability or medical condition and the accommodation is not reasonably available within University Housing.

6. Disability Related Housing Accommodations
   1. Students who need housing accommodations related to any medical condition or disability should contact the Academic Success Center.
   2. Students are required to submit appropriate supporting documentation for their request and will be provided reasonable accommodations in accordance with University policy and applicable law.

7. Discrimination
   1. Rowan University does not discriminate in its housing assignments based on race, color, religion, sex, gender identity, sexual orientation disability, familial status, or national or ethnic origin, or any other legally protected class.
   2. Complaints of discrimination or unequal treatment should be referred to the Assistant Vice President for Residential Learning and Inclusion Programs or Vice President for Student Life and Dean of Students.

VI. GENDER INCLUSIVE HOUSING POLICY

1. Residential Learning and University Housing supports the commitment of Rowan University to be an inclusive institution of higher education. In addition, the University commits to provide housing in a manner consistent with the requirements of Title IX and other applicable laws protecting students from discrimination.

2. Chestnut, Evergreen, Magnolia, Mimosa, Mullica, and Willow afford limited restroom privacy. Space in bedrooms and suites within these halls will be assigned on a same gender basis, in accordance with the student’s expressed gender identity.

3. Holly Pointe Commons and all University apartment facilities afford greater privacy and are designated facilities for Gender Inclusive Housing. Bedrooms and apartments in these buildings will be assigned based on student preferences regarding roommate gender. Students in these buildings will have the option to choose roommates without restrictions based on gender.

4. The following guidelines will apply to assignments in Gender Inclusive Housing:
   1. Students in rooms/apartments with roommates of a different gender must agree to this arrangement.
   2. Students who agree to a roommate/group including students of more than one gender will commit to living in a gender inclusive assignment for the full academic year.
   3. If a vacancy occurs, a student who has requested a Gender Inclusive Assignment may be assigned to the suite/apartment. If the vacancy results in a living group that is single gender and they wish to remain so, any new roommates assigned will be matched to maintain a single gender living unit. Students in this circumstance are responsible for notifying the University to update their gender assignment preferences.
   4. Gender Inclusive Housing is not intended for romantic couples. When individuals involved in a romantic relationship live together, it can lead to conflicts among roommates that are difficult to resolve, as well as problems that may arise if the relationship ends. For this reason, the University strongly discourages couples of any gender combination from living together. However, the University respects student privacy, and procedures for Gender Inclusive Housing will not require students to disclose the reason for their roommate requests, or prohibit couples from choosing to live together.
   5. Requests for exceptions to this policy may be granted upon submission to the Assistant Vice President for Residential Learning and Inclusion programs.

VII. GENERAL HOUSING POLICY

1. Quiet Hours
   1. The right of residents to sleep and to study without interference from other individuals is a primary right. All residence hall and apartments residents are responsible for noise they and/or their guests create while in the residential facility.
   2. Quiet hours are in effect Sunday through Thursday from 10 p.m. to 8 a.m. and Friday and Saturday from 12 a.m. to 10 a.m., however, residents are expected to be considerate of other residents at all times. Twenty-four-hour quiet hours are enforced in all areas during final exam periods.
   3. The use of amplified instruments is prohibited in University Housing. Students are however permitted to store musical equipment, including amplifiers in their assigned housing space.

2. Soliciting
   1. No soliciting of any type is permitted within or in the areas immediately adjacent to any university housing facility with the following exceptions:
2. The Student Government Association, Residence Hall Association and Residential Learning Staff are permitted to engage in
door-to-door contacts with students to support student governance functions and to promote their authorized, non-commercial
programs and activities within the residence halls.
3. The Student Government Association or Residence Hall Association may authorize organizations conducting non-partisan voter
registration drives to enter student housing for door-to-door contact with residents.

3. **Bikes**
   1. Bikes may be brought to campus for use by resident students, however, bikes must always be used in a safe manner and stored
      appropriately.
   2. Bikes may be locked and secured at bike racks located around student housing facilities and other campus locations, however, the
      University has no responsibility or liability for the security of student bikes stored or used on the campus.
   3. Bikes may not be locked or chained to fences, handrails, trees or other in other unapproved locations. Bikes must not be locked
      or stored in a way that would obstruct the use of sidewalks, ramps or pathways that would interfere with ingress/egress from
      buildings or stairways, or in a manner that would interfere with access to facilities required by fire codes, the U.S. Americans
      with Disabilities Act or other applicable laws.
   4. Improperly locked bicycles will be removed, with or without notice, and disposed of at the University's discretion.
   5. Bikes should be removed from bike racks around student housing facilities when the student checks out of that facility. Bikes
      that remain locked to racks surrounding student housing facilities after the official check-out date at the close of the spring
      term will be considered abandoned and will be removed, with or without notice, and disposed of at the University’s discretion.
   6. Bike owners may be assessed applicable fees for the cost of removing bikes that are improperly stored which require removal.

4. **Restricted Appliances**
   1. Refrigerators and cooking appliances (including microwaves, Panini presses, hot-plates, toasters, etc.) are not permitted in
      university residences which do not have kitchen facilities. In these areas, only approved refrigerator microwave combination
      units provided by the university's vendor are permitted.

   3. Hot beverage machines that use an internal heating element (such as Keurig) are permitted.
   4. Hot plates and coffee pots that rest on hot plates are prohibited.

5. **Common Area Kitchens**
   1. Evergreen, Mimosa, and Mullica Halls have a small kitchen adjoining the student lounge. The kitchen includes a stove and a
      refrigerator. The purpose of the kitchen is for staff programming needs. They will be available daily from 8:00 p.m. until midnight
      and may remain locked at other times. Users are expected to keep the kitchen in a clean and orderly fashion. Failure to do so
      will result in suspension of privileges for a period of time.
   2. Evergreen, Mimosa, and Mullica Halls, along with Mimosa Hall residents and apartment residents are permitted to remain in their housing assignment
      during the break if they submit a winter break housing application by the application deadline.
   3. Residents must check-out through the Resident Director or Resident Assistant. A proper check-out consists of returning all keys,
      and signing all check-out forms.
   4. Failure to return all keys will result in a lock change charge based on the actual cost of labor and materials needed to change
      necessary locks.
   5. The university reserves the right, with or without notice, to dispose of any personal property that remains in a student's space
      after check-out.
   6. Residents checking in
   1. Upon checking into a room or an apartment, residents will be instructed to review the Room Condition Report (RCR) which is
      recorded and may be reviewed online in the University’s MyHousing system. These reports are filled out before the student
      arrives to campus by staff. If the resident discovers something in the housing assignment that was not documented on the
      original report, the resident will have 24 hours after they check in to log in to the system to report any changes which should be
      made to the report.
   2. Failure to report existing damages in the RCR will result in the resident accepting responsibility for the condition of the room
      or apartment as it is documented on the RCR. In certain situations (i.e. early arrivals, emergency room changes) the RCR may
      have to be competed as soon as possible after a student moves in to their assignment.
   3. The purpose of the RCR is to document any existing damage, missing items, or other problems that may exist in the room or
      apartment on the date the room or apartment is occupied by a resident. These official reports will be used at the time the
      resident checks out of the housing assignment when the building staff assesses the condition of the room or apartment again. At
      the time of check out, the students assigned to that housing assignment will be held financially responsible for damages or
      missing items not listed on the RCR at the time of check in.

7. **Residents Checking In**
   1. Residents must check-out through the Resident Director or Resident Assistant. A proper check-out consists of returning all keys,
      and signing all check-out forms.
   2. Failure to return all keys will result in a lock change charge based on the actual cost of labor and materials needed to change
      necessary locks.
   3. The university reserves the right, with or without notice, to dispose of any personal property that remains in a student's space
      after check-out.

      necessary locks.
   3. The university reserves the right, with or without notice, to dispose of any personal property that remains in a student's space
      after check-out.
   4. Residents may be assessed fees associated with the cost of removal of any property left behind.

**VIII. BED SPACE VACANCY POLICY**

1. Residential Learning & University Housing may assign new residents to any available vacant bed space at any time. Reasonable efforts
   will be made to notify current residents of new assignments. Any student living in a residence hall or apartment with a vacant bed space
   within their room or apartment shall:
   1. Occupy only one bed. Beds may not be pushed together or used for guest accommodations or any other reason not authorized

Following treatment of fabrics, students must submit an affidavit attesting to this along with the receipt for purchase of the product and the product label. The N.J. state Fire Marshal may cut and test a piece of these fabrics and students must accept this as a condition of having fabric hangings in University housing.
