ATTACHMENT 1

NEW JERSEY TORT CLAIMS ACT COVERAGE FOR UNCOMPENSATED EMPLOYEES

Uncompensated employees are eligible for coverage under the New Jersey Tort Claims Act (N.J.S.A. 59:1-1, et seq.), hereinafter ("NJTCA") which defines "Employee" *as an officer, employee, or servant, whether or not compensated or part time, who is authorized to perform any act or service; provided, however, that the term does not include an independent contractor.* The NJTCA provides that a "State Employee", as defined in the Act, is entitled to a defense from the Attorney General and indemnification from the Tort Claims Fund for claims brought against them for acts or omissions which occurred in the scope of their employment. Defense and indemnification may be denied if the employee acted outside the scope of employment or with willful misconduct, actual fraud, actual malice or has committed a crime. In order for an individual to be viewed as an uncompensated employee there MUST be documentation as specified in Sections III.A and III.B above, of the individual's formal employment by the University.
